VERITAS

DEVELOPMENT OF THE THIRD CYCLE BASED ON SALZBURG PRINCIPLES

TRAINING IN GRAZ

An intensive capacity building training of the Research Units is to take place on 5th-7th of May 2014 In Graz, Austria.

The aim of the training is to introduce the major lines of the Salzburg 10 principles to the RU staff bringing in the experience of the EU partner institutions.

A dialogue between AM and EU partner institutions is also envisaged to discuss the current state of PhD in Armenia and to plan activities for further developments and improvements.
